ADDENDUM

MODIFIED RECOMMENDATIONS OF THE GAME FOR U-10

Law 1 The Field of Play: dimensions are smaller to accommodate the six versus-six game and are appropriate for the movement capabilities of eight- and nine-year-old children. These adjusted dimensions provide more practical space allowing players to be successful.

Field Markings: the penalty area is marked, but is smaller than the adult field size penalty area and within the penalty area is the penalty mark which is four yards shorter than the adult size field marking. The center circle is two yards smaller in radius than the adult size field marking. All other markings are per FIFA.

Goals: the goal, 6 x 18 feet, is the same for the U10 and U12 age groups. By using the same size goal for both age groups clubs will have to buy fewer goals.

Law 2 The Ball: must be a size four. The smaller ball is lighter and more easily kicked, received, dribbled and passed.

Law 3 The Number of Players: the six-a-side game now includes the goalkeeper. The smaller number of field players will provide the opportunity for the children to further develop their physical and technical abilities. These are valuable traits for all soccer players to develop. With fewer players on the field each child has an increased number of contacts with the ball and has more actual playing time. Additionally the players will be required to make more decisions and experience repeating game situations more frequently. The work rate and involvement of players will be more consistent. While learning both offense and defense, players will become well rounded and will understand more readily the roles and importance of teammates. The need for the players to make the mental and physical transition from offense to defense and vice-versa will be enhanced in this playing environment. The minimum number of players to begin a match for preteen players in SSG should be one (1) less than the number required on the field. That is for U12 the minimum will be seven (7) and for U10 the minimum will be five (5). There should not be a minimum for U8 and U6 and clubs, administrators, coaches and referees should be encouraged to allow players from the team with sufficient numbers to 'loan' a player or two to the team that is short players and then PLAY.

Law 5 The Referee: per FIFA. Clubs are urged to use this age group as a field training opportunity for Grade 9 Recreational Referees. All rule infringements shall be briefly explained to the offending player.
